- > Select a card from Cards & Balances screen
- > Tap Set Alerts on the Card Actions screen

There are several options for alerts — tap on each to determine your alert delivery settings and configure the app to best fit your needs.

Here you can set alerts for:

Done

- > Transactions over a certain amount
- Internet and phone transactions
- Transactions outside of the U.S.

Choose how you want to receive alerts.

- Set alerts to send to your email and / or via text message (confirmation of the mobile number is required the first time text message alerts are enabled and standard text messaging fees may apply)
- Text messaging is an optional feature that needs to be enabled by your financial institution
