

# GTSB Round Up Savings Program

GTSB Round Up is an easy way to make everyday purchases part of your savings plan. Round Up takes the guess work out of saving by automatically making a deposit into your savings account each time you make a PIN based or signature based transaction with your GTSB SHAZAMChek card.

## How it works

- 1. ENROLL— First, enroll the GTSB debit card you use for daily purchases by completing information below**
- 2. SHOP — Next, use your debit card for everyday PIN based or signature based purchases**
- 3. SAVE — Finally, we will round up your purchase to the nearest dollar amount and transfer the change from your checking account to your**

ShazamChek Card 5461 2739 \_\_\_\_\_

By signing below I authorize GTSB to debit my checking account and credit Savings Account \_\_\_\_\_ the amount in which it takes to round up my transaction to the nearest dollar amount and deposit said funds in the savings account provided above.
